

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Evaluation of State Expanded Learning Time.

OMB Control Number: 1850-New.

Type of Review: New information collection.

Respondents/Affected Public: State, Local, or Tribal Governments.

Total Estimated Number of Annual Responses: 20.

Total Estimated Number of Annual Burden Hours: 7.

Abstract: This package requests approval to conduct semi-structured interviews with 21st Century Community Learning Centers (21st CCLC) state coordinators in states which received the optional Elementary and Secondary Education Act (ESEA) waiver to use 21st CCLC funds for expanded learning time (ELT). The interviews will be used to produce a descriptive report, which will summarize how states plan to use 21st CCLC funds to support ELT, the process for awarding 21st CCLC funds to support ELT, and how states will monitor subgrantees' ELT implementation.

[Docket No. EL13-41-000]

Occidental Chemical Corporation v. Midwest Independent Transmission System Operator, Inc.; Notice of Complaint and Petition for Declaratory Order

Take notice that on January 17, 2013, pursuant to section 206 and 306 of the Federal Power Act (FPA), 16 U.S.C. 824e, and 825e (2012) and Rules 206 and 207(a)(2) of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (FERC or Commission); 18 CFR 385.206 and 18 CFR 385.207(a)(2) (2012), Occidental Chemical Corporation (Complainant) filed (1) a formal complaint against Midwest Independent Transmission System Operator, Inc. (Respondent or MISO), alleging that the MISO QF Integration Plan is unlawful, in violation of FPA sections 205 and 206, as well as, violates the Public Utility Regulatory Policies Act of 1978 (PURPA) and the Commission's implementing regulations and (2) a petition for declaratory order requesting that the Commission direct MISO to permit qualifying facilities (QFs) to register for and participate in its markets without forgoing their statutory rights under PURPA and FERC's implementing regulations and find that the MISO QF Integration Plan is invalid and cannot be implemented by MISO because it has not been filed with FERC pursuant to section 205 of the FPA.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to

intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC.
